

Taylorstown Community Association

Taylorstown Community Association (TCA) 2013 Membership

The Taylorstown Community Association invites you to join or renew your membership for **2013**. Membership dues are just \$10 a year, contributing to the benefits shown below. Together, we can preserve and improve the wonderful environment that makes Taylorstown a unique place to live. Your membership supports this work and gives you a voice on matters that affect our community.

Our next meeting is:

What: Annual Taylorstown Community Association Meeting
When: Sunday April 14, 4-7 pm
Where: Birchwood (aka the Arboretum) 13223 Loyalty Road

Our history:

- TCA's parent organization, the **Catoctin Valley Defense Alliance**, successfully blocked a plan in the 1970's that would have flooded this beautiful area to supply the Washington region with water.
- Taylorstown was declared a **national historic village** in 1978. The TCA seeks to preserve the unique nature of the community and to continue advocating for the interests of our residents.
- The Catoctin Creek was declared a **State Scenic River** in 1984.

What we do:

- The **Taylorstown Community Association** e-mail list keeps members informed. Community events, lost pet reports, nonpartisan civic announcements, etc., can be submitted to news@taylorstowncommunity.org.
- **Keep Loudoun Beautiful** - TCA organizes volunteers each spring to help keep our roads clean.
- TCA organizes and hosts the **Annual Picnic and Barn Dance**.
- Members do regular **creek monitoring**, and help educate children about Catoctin Creek.
- TCA **sponsors regular public meetings** and forums on topics of community interest.
- TCA works to **preserve our history and small town culture**.

JOIN TODAY by sending \$10 membership to TCA, PO Box 342 Lovettsville, VA 20180. You may also bring the filled out lower portion with payment to our annual meeting. Please share your email if you would like to receive periodic TCA e-mails.
