Taylorstown Community Association (TCA) 2016 Membership

The Taylorstown Community Association (TCA) invites you to join or renew your membership for 2016. Together, we can preserve and improve the wonderful environment that makes Taylorstown a unique small town. Your membership gives you a voice in matters that affect our community.

Our history:

- TCA's parent organization, the **Catoctin Valley Defense Alliance**, successfully blocked a plan in the 1970's that would have flooded the entire Taylorstown area to create a reservoir.
- In 1976, Taylorstown was declared a **national historic village** and the Catoctin Creek was declared a **State Scenic River**.
- The TCA seeks to preserve the unique nature of the community and to advocates for the interests of our residents.

What we do:

- TCA keeps members abreast of local affairs and government actions affecting Taylorstown and organizes meetings and presentations of interest to the community.
- The **TCA e-mail list** keeps members informed. You can submit lost pet reports, nonpartisan civic announcements, etc. to news@taylorstowncommunity.org.
- TCA organizes seasonal events in Taylorstown, including the **Taylorstown Barn Dance**, the **Taylorstown Fall Yard Sale**, and **Catoctin Creek Adventure Day**. TCA also supports local events such as **Keep Loudoun Beautiful** and the **Taylorstown Holiday Crafts Fair**.
- TCA works to preserve our history and small town culture and to create opportunities to **meet and enjoy your neighbors!**
